Sustainable Sponsors

Swamphacks VI encourages sponsors to be more sustainable. Here are several ways to better serve our planet.

livegreen

Download the LiveGreen app from the Apple store to track and reduce your carbon emissions.

We've partnered with LiveGreen to support reforestation initiatives and offset our carbon footprint produced during the hackathon.

Bring Reusable Promotional Material

QR codes and NFC tags instead of paper flyers

Stickers, notebooks, and pens made from recycled material

Reusable water bottles, cutlery, or straws

Fair trade cotton products

Microfiber cloths

Travel Sustainably

Keep hotel AC at 76 - 78 degrees Farenheit

Take unused toiletries

Use natural hygiene products

Stay at Certified Green Lodging Facility hotels

Reuse towels at hotels
